Att.: Jamie Roshage Spörndli  
Swedish Motosport Federation

Monaco – 25<sup>th</sup> May 2021

Dear Jamie,

At the present time, less than 60 days before the event, we have pleasure to **confirm the status of UIM World Championship, Circuit Classes F125-F250-F500**, of the event to be held in Mora.

We understand that participating Teams/Drivers and Officials shall be granted entry to the country and access to the place where the WC F125-F250-F500 Event will take place, without any COVID-19 specific restrictions applicable such as compulsory quarantine upon arrival.

This understanding is based on the official government regulations, stating that the persons arriving in Sweden holding a negative result of a test for SARS-CoV-2 are exempt from the obligation to undergo quarantine. The test must be conducted before crossing the border and is valid for 48 hours from the moment of receiving the result.

For avoidance of any misunderstanding, the presentation of a negative PCR test, if required, is not considered to be a restriction that would entail the withdrawal of the WC/EC status of UIM titled Events.

Please let us know if foreign drivers wishing to participate in the Event and accompanying Team staff need to perform specific administrative formalities or satisfy other requirements when entering the country, to avoid sanitary restrictions such as a quarantine.

We remain at your disposal for any further clarification you may wish to receive in this context,

Yours sincerely,

Thomas Kurth  
Secretary General
