Att.: Alessandro Basilico
Secretary General
Federazione Italiana Motonautica

Monaco – 13th July 2021

Dear Alessandro,

At the present time, less than 60 days before the event, we have pleasure to **confirm the status of UIM European Championship, Circuit Class F4**, of the event to be held in Viverone.

We understand that participating Teams/Drivers and Officials shall be granted entry to the country and access to the place where the EC F4 Event will take place, without any COVID-19 specific restrictions applicable such as compulsory quarantine upon arrival.

This understanding is based on the official government regulations, stating that the persons arriving in Italy from Eu Member States and the Schengen Area (List C) are required to present the Eu Digital COVID Certificate showing that they have completed the vaccination, recovered from Covid-19, or taken a negative molecular or antigen test in the 48 hours prior to their arrival in Italy.

For avoidance of any misunderstanding, the presentation of a vaccination certificate or a negative PCR test, if required, are not considered to be a restriction that would entail the withdrawal of the WC/EC status of UIM titled Events.

Please let us know if foreign drivers wishing to participate in the Event and accompanying Team staff need to perform specific administrative formalities or satisfy other requirements when entering the country, to avoid sanitary restrictions such as a quarantine.

We remain at your disposal for any further clarification you may wish to receive in this context,

Yours sincerely,

Thomas Kurth
Secretary General
